

Bits & Beers is an atypical conference connecting businesses, creatives, entrepreneurs, and makers in the relaxed bar atmosphere, with the structure of a well-organized business event. We will have guest speakers, each giving a 10-minute talk related to wearable technology.

### Program for Bits & Beers

18:30-19:30	Doors opens Networking and possibility to buy light snacks/sandwich
19:30	Welcome by Christian Graversen and Claus Nielsen
